Tardu Agency

Dog Treats & Chews
Private Label Catalog

Tardu Agency

* Our company **Tardu Agency** was founded in **Wales / England** in order to market natural **dog treats and chews** products and to offer quality products to our dearest customers, to adapt to market dynamics faster, to deliver on time, to find fast solutions and to provide the best service.

* We offer **simplified purchasing** with one-stop wholesale, **private label** services and a solution-oriented customer service team for our customers.

* We are passionate about making products that **pets love** and owners trust.

* To fulfill our **mission**, we have established a **world-class** team of dog treats and chews industry experts, and built a 2500 square meter facility with a monthly production of 50 tons of final products in compliance with **food standards** (HACCP - ISO 9001 - ISO 22000 - ISO 45001) in our Turkey-based headquarters.

* We meticulously review and test every stage at the **veterinary control** to ensure safety and consistency in all our product variants.

Tardu Agency

* • We attach importance to the production of green **grass-fed** animal products.

* We deliver our raw materials to our facility by **cold chain** transportation. We separate the fat and other components by **natural cutting** methods so that the products that reach our facility remain single ingredient.

* By performing **natural drying at 40 degrees** in our designed ovens, we ensure that the mineral and protein values remain richer and we prevent the formation of bacteria by 100% by **heat treatment at 90 degrees for 12 hours**.

* We take care to offer the **most ideal and enjoyable chewing** to our four-legged friends by calibrating our products according to their length, weight and thickness during packaging.

* We pay attention to **environmentally friendly** production according to (**iso 14001 environmental management system**) standards. We recycle auxiliary structures, make 0 gas emissions. We take care to consider many factors such as less water use and treatment of discharge water.

* Our capabilities in **Quality and Food Safety** are a cornerstone for the company.

* We are always ready to do our best to ensure that your needs are meet in a **timely and efficient manner**.
